FULL MEMBERSHIP – is for adults or juniors (under 18 years). Juniors & students pay a reduced rate. Members have full and free access to the clubhouse and ranges; are able to apply for a key to the clubhouse and ranges; and receive newsletters and club notices.

COUNTRY MEMBERSHIP – is for those who wish to retain contact with the club but cannot attend regularly as they live away from the area. Country membership is, in principle, a non-shooting membership but Country members can use the club's facilities if in the area by paying a £5 range fee.

(GUARDIAN MEMBERSHIP – is a non-shooting membership for those who wish to be a member of the club but do not wish to shoot. A typical example would be a parent whose child wishes to obtain a FAC; under these circumstances, the police prefer the parent to be a member of a shooting club, although this is not mandatory.)
