The diagram illustrates the timing for a 10-bull target rapid shooting competition. It consists of a grid with two rows and eleven columns. The top row is labeled 'Secs' and contains the numbers 0, 10, 20, 30, 40, 50, 60, 70, 80, and 90. The bottom row is labeled 'Shot' and contains the numbers 1 through 10. Vertical red dashed lines are drawn at each 10-second interval from 10 to 90. Yellow circles with black outlines, each containing a number from 1 to 10, are positioned at the intersection of each 10-second mark and its corresponding shot number. For example, '1' is at 10 seconds, '2' is at 20 seconds, and so on, up to '10' at 90 seconds.
